General Report Comments: Enzo and I, Elani arrived at the farm and met with Sam. He stays in a large old farm house on a massive cattle and horse farm.

We took Diesel with to see whether he gets along with Sams current dog Freya. We did the meet and greet and Diesel immediately got along with Freya. She allowed him to smell her and did not look uncomfortable. We then let him loose and he acted as though he has stayed there for years not phased by Freyas presence.

The meet and Greet went well. Sam signed the contract and said he will let us know about Raven that needs to be sterilized on the 8th of August 2025. He also said he will eft the payment.

The dogs are allowed inside the house that is massive. Lovely home with Lots of space.

Pre home check approved.
