CHECKLISTS

General Report Comments: I,Hugh arrived at the property and was greeted by Chleo.She looked very interested in being educated as they want to be responsible pet owners.

She then allowed me access and i could see the property was just the right size for the two cats.I then educated her on first having her cats get used to the environment then having them go outside.

She then showed me that she has kitten food for them and i also advized her to get another cat litter tray.

Overall the home is a good home.Homecheck sproved.

To follow up in a year.
