General Report Comments: Hugh and I, Elani arrived at the property and met with the domestic worker that was present. We first struggled to find the house as it is a cream cornerhouse on 4th Avenue and Burg Street. The domestic is at home on Mondays, Wednesdays and Fridays. She gave us access throughout the house where we saw multiple cat toys and beds for dogs. She claimed the dogs are outside during the day and inside at night. Wagter was outside and had a large water bowl, lots of toys for stimulation and bones. We went back inside and found two of the three cats sleeping in a cat bed on their bed. All the animals are sterilized. I called Liezel to ask whether someone will be home on Tuesdays and Thursdays and she said her husband has very flexible hours and will work from home Tuesdays and Thursdays.

Pre home check approved.
