General Report Comments: I, Elani arrived at the house and met with Hendrik who is staying and working on the farm. Their farm house is enclosed bu mesh wirw and plants.
They have another dog that is in good condition. This dog was free roaming. He has access to clean water, a kennel, is allowed inside. They have a large enclosed parking area and this seperated the back yard from the front yard.
I the educated Hendrik about the needs for Kleintjie regarding his anal issue, his teeth, to wash him, provide him with Bravecto etc and I gave him an information pamphlet incase they ever need to ise our mobile clinic.
The dogs sleep inside. Both owners work as well.
They first surrendered Kleintjie and then decided they want him back. Therefore we made them adopt her again.
