CHECKLISTS

General Report Comments: I arrived at the property and met with Joshuas wife.
They have a fence around their property. Their front stoep has an extra enclosed fence and they have a gate and enclosed space in their back yard.
They want CJ back but was scared because they have a newborn baby and it seemed like cj got jealous since the baby came. I educated Mrs Clayton on how they can give CJ attention as he seems attached to her. I also advised to get him toys to keep him busy. Their entire property is enclosed. He will be kept at the back which is enclosed and there is a kennel.
Mrs Clayton is at home throughout the day.

Pre home check approved.
