General Report Comments: Elani and i,Hugh arrived at the property. We called from the gate and Gerhard came to the gate to greet us. We then introduced ourselves and he allowed us access.

We went inside and explained to him the nature of the complaint. He then allowed us to go inside and inspect the area. We then found excess faeces, they had just run out of food for the dogs and they were underweight.

Elani then issued warning 176:

- Provide adequate food for your dogs twice a day(preferably puppy food)
- Provide both of your dogs(molly and fluffy)with dewormer within 2 days.
- Clean the dogs living environment within 48hours.

To follow up on friday.

ACTIONS

Warning Issued 175
