General Report Comments: I, Elani arrived at the property located next to a large open field.

I met with Proscilla who was at home looking after her grandchild. She gave me access and had a lovely clean home. They had dogs before and are looking for a dog that would be good with small kids. They wanted Ashley but when I showed her a photo of Akira she fell in love.

They have a large back yard with a kennel and water bowl. Akira will be allowed inside. There is also a nice big braai room set out for Akira.

Pre home inspection approved.

The african grey parrot gets fruit and is kept in a large cage. The cage was quite clean for a parrot. I barely saw sunflower seeds.

Priscilla and her mom is always at home. They usually use Paarl Veterinary Hospital.
