General Report Comments: I,Hugh arrived at the property.I could see from the road that the properties fencing was not adequate.

I then called from the outside and Carlos father opened the gate.I then went inside and did a walk through.I then explained to him that the steel laying around are hazardous aswell as the fencing is not adequate nor the height.

I then explained to him the breed which ivy is and he then mentioned that we should cancel the adoption due to the potential hazards.
