General Report Comments: I, Elani arrived at the property and met with Vivienne who was at home. She has two dogs and 3 cats and lives with her sister. It is a duplex house. There are beds everywhere inside and outside their house.

The cats tend to go upstairs where they have their food bowls, scratch posts etc. The older dogs even have stairs so that they can access to sleep on the bed.

It is a lovely home. Vivienne is a nurse and every two weeks she has three off days. She also agreed to do a meet and greet with Chester which went well. She uses Wellington Animal Hospital for veterinary treatment.

Pre home check passed.
