CHECKLISTS

General Report Comments: I,Hugh arrived at the property and was greeted by Joniff.He then allowed me access and we went inside.

I then walked inside and saw a old kennel but he showed me the new one the kids had for the dogs.I was then pleased and walked through the rest of the yard.I then noticed that it was quite spacious.The pool had no cover and i advised him that it is hazardous for the puppy and he agreed to keep the puppy away from the pool.

Overall the home looks large and spacious.Homecheck approved.
