Comments:	I drove down to Stokery road and then back up towards champagne road over the bridge. I then saw a brown dog crawling out of the golf estate grounds. I stopped just past the bridge on champagne road and called the dog with food. I thought the dog ran away as he saw me so I climbed in the car. When I wanted to follow him, I saw she was making her way towards me. I climbed out again and she came for the food I gave her. She ate it and I loaded her into my bakkie. She had a microchip but when calling the numbers, they dont know who the dog is. NFA
