Comments:	Lee Bosman who is the respondent of 4 Commisioner stopped me in town and told me that he received the warning on his gate. We then agreed to meet tomorrow between 10 am and 11am as he will be at home yhen. He tried to say that he has a gardener that comes every second day to clean the yard. I was blunt and told him that amount of faeces is not from two days. To meet tomorrow at 10am
