General Report Comments: Elani and i,Hugh arrived at the property. We called from the outside and the owners wife Jamie-leigh came outside to greet us. She allowed us access but also claimed that the dogs on the property are aggressive.

We went inside and we could see the achievements that her husband had got from breeding competitions.

We walked through the kitchen and we saw saartjie with her puppies. The area was clean and we also saw meisie in another enclosure next to 3 other puppies which was being kept for someone else.

Jamie-Leigh mentioned they were in the process of getting their breeding papers. They were just waiting on a response and she mentioned she will send us the email which was sent to law enforcement.

We left after no welfare concerns was observed. To see if they send the email over the weekend.
