General Report Comments: I, Elani arrived at the complex and met with the owners who was at home. They have a two bedroom flat and another cat that stays indoors. They walk the cat with a leash. They had multiple cat toys and litter trays that were clean throughout the home. Their cat is well taken care of. They use Tygerberg Animal Hospital as a veterinarian. Her husband works from home and is able to take care after the cats throughout the day. Lovely people.
