General Report Comments: Elani and i,Hugh arrived at the property.I called from the outside and the owner came outside.I explained to him the nature of the complaint and he brought the dog to us.

He mentioned that his grandmother who was the owner had passed away and then the dogs weight started depleting.When asked whether they had food he mentioned his mother still needs to buy some food.We went to the back of the property and saw a bull terrier who was in good condition .

Elani then issued warning 097:

-Bruno appears to be emaciated.

-Ensure to provide Bruno with adequate food within 4 days.Ensure to feed your dogs twice a day.

Do not feed patato peels,pap and bones.
