General Report Comments: Elani and i,Hugh arrived at Saps.We asked whether we could get any updates on the case 87/01/2026.

They told us with which detective is busy dealing with the case and they called him so that he could meet with us.

Detective Jacobs-0798941739

He came to greet us and we went to his office.He told us that they had made contact with the owner of the dog but he works constantly.We asked whether they had done the rape kit test yet which he replied that they have not.We asked when they were planning on doing it and he mentioned that they are waiting on FCS to do the test.We explained to him that it is urgent as it could result in someones child getting sexually assaulted.He told us that they are on it and we exchanged numbers.We told him if they need any assistance they could contact us as its their cases since it falls under the sexual offences act 32 of 2007 13a)ii and 13a)iii and 13b.He understood and we left.
