CHECKLISTS

General Report Comments: The owner claimed the dog.

I then educated him and asked when last the dog has been to the veterinarian for his eyes and he couldn't remember. I then also educated him about tick and flea treatment.

I issued Warning to:
provide Klondike with veterinary treatment within 72 hours as discussed. This is for his eyes and tick and flea treatment.

David understood and signed the warning.

To follow up on Friday

ACTIONS

Warning Issued 096

REPORT OUTCOMES

Follow-up inspection to be conducted 2026-01-09
