Comments: Hello,

I've been involved in a case where an animal is being mistreated (kept enclosed, underfed, possibly being overmedicated, and never exercised). It is a small Yorkie living with an employee (Yvette) at Cummings Guesthouse in Wellington.

Yvette approached me to possibly adopt the dog (Olivia) and then changed her mind. Thye want to keep her, but I am truly concerned about Olivia's welfare especially after seeing the state she is in (very skinny with her spine showing harshly).

How do we go about doing a welfare check on Olivia?

Please advise

Kind regards,

PS: I DO NOT want Yvette to get in trouble or for her job at this Guesthouse to be at risk as she supports her entire family - we are just concerned about the dog.
