General Report Comments: I, Elani arrived at the property and could see the house is enclosed with fencing and that the windows were open. When calling the owner she confirmed that the cat is the only animal they have and that she can move freely in and out of the house. The owner informed me that she only gets home late as it is wine season and she barely gets home during this time.
I asked whether she can send me pictures of Diane and her things when she is home and she agreed. She sent pictures of Diane in good condition and eating her food.

Post home check approved.
