CHECKLISTS

General Report Comments: I,Hugh arrived at the property and saw some tenants on the property next to Johannes's.Baasie came outside to greet me and i asked whether Johannes was home.He replied that Johannes was not home due to it being 'pars tyd'

I went to the property and one of the tenants accompanied me.I saw that the outside enclosure was not finish built yet.I called and heard the dog in the bathroom on the outside.I asked the tenants why the dog was in this area now and she said that they move him back and forth.I explained to them that they should try and speak to him in order to surrender the dog or finish building the enclosure or other alternative is building a running chain.They understood.

I,Hugh issued notice to comply 038 to:
-Provide Fluffy with a running chain within 7days or finish building Fluffys enclosure within 7 days.
-Refrain from keeping fluffy confined in home.
-You have option to surrender fluffy over to the SPCA.

I spoke to the tenants and asked them who runs the farm.They gave me a few names of superiors.

I went to the farm and asked for Hellem.He approached me and i spoke to him in order to assist or speak to him about building the outside enclosure/runner.He explained that he would speak to him and assist where he can.

To follow on Monday.
