General Report Comments: Hugh and I, Elani arrived at the property to follow up on what they have done with the puppy. As we arrived a small boy was outside and immediately said his grandma is inside the house. Whilst she was decoding to speak to us, Nero the pitbull that was claimed to be gone, came around the corner. She did not step on her Right Hind leg, looked lethargic and had sores on her left hind leg. Rachel claimed that the dog was dumped back to them like injured. I do not believe her as she has lied multiple times. She then said take the dog and I took the opportunity to make her surrender Nero.
There is one puppy left on the premises.

I believe to prosecute Rachel Kok as she keeps on making false promises to come to our mobile clinic and lies.
