General Report Comments: Elani and i,Hugh arrived at the property. We called from the outside and Marcel came to greet us. He allowed us access to the property and we went inside.

We saw that his dog was off the chain and could roam around freely .He also explained that his dog finds a way outside and fights with other dogs thus he tied him up but hes free to roam the area now. We saw he had water, food and shelter.

We educated him on bravecto and nexgard as mange was quite common in their area .
