General Report Comments: Hugh and I, Elani arrived at the property and met with Deidre Smal who was at home. They never came to the mobile clinic for assistance with their dogs. We then asked her about the dogs they possibly want to surrender and she said that its her dogs and she would like to surrender Brino, Saski and Snowy. The 3 dogs left have a mild skin condition. We then educated her again about our mobile clinic and sterilization and gave her a clinic pamphlet. The remainder three dogs have mild skin condition that is treatable. We educated her about sterilization and mobile clinic in order to fix her dogs before it gets worse. She also claimed she will be able to buy dip and try to sterilize the female dog as she and her brother is working. To follow up wednesday to see whether she bought the items.

To follow up next week.
