General Report Comments: I, Hugh arrived at the property and when to the door to call the owner. I saw Cornelia standing in the doorway and asked why they had not attended the mobile clinic.

She informed me that basie is a lot better and i went to the back to check on him. He was running around and also full of life. I explained to her that i am pleased.

I educated her on our mobile clinic and also contacting us if basie is hurt or injured again in the future.
