General Report Comments: Hugh and I, Elani arrived at the property and met with Mrs Hoogenhout. She had he friend over during this time.
Mrs Hoogenhout stays alone in a very large house that is enclosed with a pallisade gate. There is a front and back garden in this property. At the time of inspection, she kept Broccoli in her room as he is extremely protective of her and bites your ankles.
Throughout the house there were water and food bowls present everywhere .
The old lady os retired and at home all the time.
We discussed with her friend about what would happen to Pamela if the owner ever passes away and realized that the friends and family will know and inform us when necessary.
It is a lovely large home. The dogs are inside and there is a front and back door that is left open for them to move freely inside and outside the house. She also bought a new toy for pamela already.
Pre home inspection passed.
