General Report Comments: Elani and i,Hugh arrived at the property.We called from the outside and Tristen came outside to greet us.

She allowed us access and we went inside.We saw their two dogs who were in good condition.They also came and showed us their cat but could not find the other.

We went into the backyard and observed it was quite large.We educated them on hygiene protocols as it was a puppy and they understood.

To follow up in a year.Homecheck approved.
