CHECKLISTS

General Report Comments: Luciano and i,Hugh arrived at the property. We called from the outside and Leighton came outside to greet us.We explained to him that its regarding puma .

I explained to him that Puma has been missing and he told me he knows that he is at our premises.I told him that there is also alledged that they do not feed him.He explained that it is not true and they would like puma back.I explained to him that law enforcement deals with strays and it would become a problem if they get involved.

He allowed me to conduct a inspection and i did a walk through.Overall there were no welfare concerns.Just a bit of leaves laying around but no excess faeces or rubble.

I asked them to show me food and they mentioned they had gave it away.I told them to get food before they claim him as they only had canned food.I also explained to them about the claimant fee.
