General Report Comments: Luciano and i,Hugh arrived at a adress which was actually the wrong adress.They guided us to the house of Johanna Miller.

Upon arriving at the premises we called from the outside and a woman came outside.She then called another tenant as she could not understand english.

James came outside to greet us and he allowed me access.I saw the white shepherd type dog with a suspected skin condition.He asked that i come back tomorrow then the owners would be home. To follow up tomorrow to see whether owners want to surrender the dog.
