Follow-Up Date:	2026-04-24
Comments:	Shelden and i,Hugh arrived at the property.I called from the outside and Belinda came outside.I explained to her the nature of the complaint i recieved and she told me that she wants to sterilize her female dog but does not have the means financially to do so.I explained that we can help her with suzies sterilization but she would need to surrender white as he is not in good condition.She agreed to do so and also show me suzies shelter and water.I loaded Suzie and white and left. To return suzie to her owner tomorrow.
