General Report Comments: Luciano and i,Hugh arrived at the property. We called from the outside and Patricia came outside.

I asked her why she had not attended the mobile clinic and she responded that she was a bit confused as she heard me mention wednesday.

I explained to her that i meant she should take the dog to the mobile clinic tuesday and i will follow up on wednesday.Due to this confusion i decided to give them another chance as it actually looks as if the wound is healing nicely.

I told them to go to the thursday clinic just to make sure everything is okay.

To follow up tomorrow.
