General Report Comments: I,Hugh arrived at the property and called on the outside but nobody came outside.I was busy writing up a notice to comply with the intention of leaving it on the gate when someone came outside.She allowed me access and mentioned that the owner of the dog named Milo was on the inside.

I went inside and spoke to Barbara.I explained to her the nature of the complaint and how she could fix things after we inspected the area where milo was being kept.She called her husband and asked that i explain to him aswell.I explained it to him and he understood.

I issued notice to comply 058 to:
-Provide Milo with an adequate running chain within 7 days.
-Provide Milo with adequate shelter within 7 days.

To follow up on Tuesday.
