General Report Comments: I, Hugh arrived at the property and called Tyrone from the outside. He came outside and I explained to him the nature of the complaint. He allowed me access and I went inside.

I went to the back where all the dogs were kept and I saw 3 Boerboels. He mentioned he had put Saartjie away. I saw at that point that it had become a little muddy in the front of the enclosures and I explained to him that he would need to put cement in the enclosures. He agreed and said that it was on his plans but since he's a breeder, law enforcement asked him for a floor plan of his yard before he can make any changes which he did not understand but he's busy working with them.

Overall it was clean and every dog had access to shelter and water. He also showed me the food he feeds.
