General Report Comments: I,Hugh arrived at the property and Newton came outside to greet me.I explained to him that i was there to conduct an inspection after we recieved a complaint and i explained the nature of the complaint.

He allowed me access and i saw that luna had access to water.The shelter was a bit crowded with tools which they removed immediately.He also showed me Lunas food and also explained that she goes through phases where she seems sick but he will get the records for me from the animal hospital.

To follow up on monday via whatsapp.
