General Report Comments: I, Hugh arrived at the property and went inside. The owner of the business was there to greet me and i explained to him the nature of the complaint. He allowed me to inspect the enclosure where the dog is held and the rest of the premises.

I asked him to show me chumis food and he showed me they give him wet and dry food as he is apparently 15 years old.

Overall chumi was slightly underweight most likely due to age and him being quite active.
