I explained to her that i had recieved a complaint about a dog chained in the wendy in the back.She allowed me access and i went inside.I observed a brown female dog on a adequate length static chain.I explained to roselle that the owners should build a running chain for me as she claimed she was not the owner.

I issued notice to comply 063 to:
-Provide stacy with an adequate running chain within 7 days.

I had not written in my notice to comply about shelter thus i will provide them with shelter if they complied with the notice.
