General Report Comments: Shelden and i,Hugh arrived at the property.I called from the outside but nobody came outside.

After a while the owner of the property came with grocery bags and i greeted him.He allowed us access and i explained to him that i was there in order to inspect the premises as i had recieved complaints about the mother dog named sharne.

He took me through to her and i asked him to show me where her food was and he had none.I explained to him that we were willing to sterilize the dog for free on a later stage and he agreed.While looking through the yard i saw it was filled with hazardous material and i explained this to him.He also showed me that they are in the process of building a gate and while looking i saw the neighbours dog on a static chain.

I issued notice to comply 061 to:
-Provide adequate food for Sharne within 7 days.
-Clean sharne's living environment within 7days.

I issued notice to comply 062 to the neighbour.
-Provide your dog(black pitbull) with a running chain within 7 days.
-As it seems he/she is on a static chain.
To follow up on next Tuesday.
