General Report Comments: I,Hugh arrived at the property and met with Dora.She allowed me access and i discussed with her the nature of the complaint.She understood and allowed me to walk through.She explained to me that they would like to surrender Daisy as they cannot afford any more puppies .I asked what happened to the puppies she had and she mentioned that they have been given away.i informed her about our sterilizations and she agreed and mentioned she would let me know on the next inspection.

I saw that bruce had a running chain but was filled with hazardous materials and i explained this to her.I also asked her whether she had any adequate food to show me and she mentioned she had just given the last.
