General Report Comments: Luciano and i,Hugh arrived at the property. We were allowed access by the staff of capitec.

We went through and we went upstairs.We knocked on the door and the owner Merchia Perkins came outside.I explained to her the nature of the complaint and asked to see the cat named arie.

She brought arie to me and i noticed that arie could not walk.I asked that arie be seen by a vet and she agreed.

I issued warning 116 to:
-Provide veterinary treatment for arie within 24hours as it seems she is unable to walk.
-You have the option to surrender her over to us within 24hours.
To follow up tomorrow.
