General Report Comments: I,Hugh arrived at the property and called from the outside. A little boy came outside and he called an adult. A tenant named Courtney Diedericks came outside to greet me and confirmed that there was nobody at home.

She allowed me access and i saw that nobody had cleaned there in a while. There was no shelter and i asked Courtney whether there was dog food and she didnt believe there was but was not sure due to it not being her dog.

I issued warning 136 to:
-Provide Cooper with adequate dog food within 7 days.
-Provide Cooper with adequate tick and flea treatment within 7 days.
-Clean Coopers living environment within 7 days from parasitic conditions.
-You have the option to surrender Cooper over to the SPCA.
-Provide Cooper with adequate shelter from the elements(three sided.Raised flooring)
To follow up next monday.
