General Report Comments: Monia and i,Hugh arrived at the property.Shireen had informed us that some of the horses had been rehomed.

We looked at the paddocks and saw that some of the petruing metals was still in the areas of the horses.They fixed it while we were there.Sparticus had been rehomed to a long term friend of shireens late mother.We get regular updates on him and obtained the address incase we need an out of area society to do an inspection.

To follow up in a month to see the weight of the horses .
