General Report Comments: I, Hugh arrived at the property and called from the outside. Gadien came outside and immediately became hostile. I explained to him that I had received a complaint about his dog being on a static chain and he became quite upset.

I explained to him that he would need to put the dog on a running chain and he explained that he did not work. I understood the situation and realised that I would not be able to discuss this with him and decided to leave and contact the property owner Marta who is his mother.

To contact marta.
