One of the very best things you can do to give me a long and healthy life is to vaccinate me against common diseases.
My mother gave me immunity during my first few weeks by disease-fighting antibodies in her milk.
Now it is up to you to keep my vaccinations up to date as advised by my vet!

ADOPTION CONTRACT – FARM ANIMALS

Farm Animals includes: Cattle, Goats, Sheep, Pigs and Poultry

Species Boerbok	Colour White - brown head.	Male/Female Female	ADMISSION NO: MBY 3579
Microchip and or ID Tag Number:-		 992003000356134	

This animal has been given to you in the firm understanding and confident belief that it will receive a good home with responsible and loving care. Ownership of an animal yields much pleasure and satisfaction. It also has obligations and responsibilities. The fact that the animal has been in our care usually indicates that someone has, in the past, failed to recognise these responsibilities.

I do hereby confirm and undertake that:

1. I am over eighteen (18) years of age.
2. All family members agree to the adoption and will abide by the conditions in the contract.
3. I will give the animal a fair chance to adjust to its new home.
4. If I am unable to continue to care for the animal or it does not adjust adequately, the animal must be returned to the SPCA.
5. I understand that adoption fees are not refundable or transferable.
6. I will feed and house the animal to the Society's satisfaction.
7. I will not tether or house the animal inappropriately and understand that if it is found tethered, housed inappropriately, or living in unsatisfactory conditions or in ill health, I willingly agree that it will be repossessed permanently from my care immediately. **Initial:** (M)
8. I can afford the services of a private Veterinarian.
9. I will ensure that the animal will receive its vaccinations and de-worming timeously. Hoof/Teeth care will be provided by a farrier/dentist timeously to ensure that hooves/teeth are well maintained to prevent suffering.
10. I understand that in the case of illness (not injury) occurring within the first seven (7) days of adoption, I may bring the animal to the Society to be attended to by its Veterinarian (at the discretion to the Society) at no charge to myself.
11. I will ensure that the animal is sterilised as stipulated by the Society and if not I understand that the animal will be repossessed by the Society immediately. I will sterilise the animal(s) by N/A. (M).
12. *No breeding is allowed. Males must be kept away from any females of the same species or be neutered. If a female should fall pregnant (the circumstances of which I shall immediately declare to the relevant SPCA) the off-spring becomes the property of the Society which will then be adopted according to SPCA Policy, of which I will have first right of refusal. **Initial:** (M)
13. *All males adopted MUST be castrated (*As specified in the NSPCA Operations Manual*)
14. My property is adequately enclosed and that at no time shall I knowingly allow my animal to stray off the property.
15. I will notify the SPCA within forty-eight (48) hours should the animal die or go missing.
16. I know and understand the "By-laws" of the Municipality pertaining to farm animals and other animals in which I reside.
17. I will permit an authorised officer of the Society to visit my premises from time to time, to be assured that the animal/s is being treated in accordance with this Policy, and I will permit and allow the Society to repossess the animal, if in the Society's opinion, the terms of this policy are not reasonably adhered to. **Initial:** (M)

18. I undertake that the animal when left without supervision will be in a suitable, safe paddock/enclosure with shelter and adequate water and feed.
19. I will ensure that feed is raised off the ground or given in a suitable container depending on the animal adopted to prevent contamination of the food. I will also ensure that a suitable and balanced diet is provided to ensure that the animal(s) remain(s) in good condition at all times.
20. I will ensure that sufficient amount clean water in a clean suitable container is provided daily in accordance with the animal/s' needs and that the container is tip-proof and placed in the shade.
21. I will ensure that adequate and dry bedding of at least 20cm thick is provided daily for the animals if housed in a stable, stall or barn. I undertake not to confine the animal to a stable/enclosure, and will allow free roaming in a suitable, safe paddock/enclosure during daylight hours.
22. I will ensure that water fowl are provided with a suitable swimming area for swimming and natural behaviour and fresh drinking water will be provided separately.
23. I will ensure that poultry will be kept in a secure and suitable enclosure at night to prevent predation and will be provided with adequate perches and nests.
24. I will ensure that the fleece of sheep/long-haired animal/s is kept suitably trimmed and matt-free for the well-being of the animal/s.
25. I will ensure that the animal/s is/are protected against biting flies and other pests and parasites. I will not practise, mulesing or tail docking/mutilation of any kind, whether by myself or a Veterinarian;

29. I will notify the Society within seven (7) days of any change of address in writing by e-mail, fax or registered post.
30. Animals that are adopted often come from an abusive background and the SPCA cannot and does not guarantee the future behaviour of any animal/s adopted nor will be held liable therefore. The SPCA can only show what the animal/s' behaviour is like in our care. The Adopter accepts the animal/s' behaviour may change depending on feeding, surroundings, exercise and treatment. The SPCA cannot be held liable for any loss, injury and/or death caused by the animal's behaviour.

** I agree to never harm, neglect, abuse or abandon the animal that I adopt.*

** I confirm that I have never been convicted nor charged with cruelty or neglect of any animal.*

I hereby declare that I have read through the Adoption Contract, and that I agree and acknowledge that the above contract is legal and binding.
