One of the very best things you can do to give me a long and healthy life is to vaccinate me against common diseases.
My mother gave me immunity during my first few weeks by disease-fighting antibodies in her milk.
Now it is up to you to keep my vaccinations up to date as advised by my vet!

This animal has been given to you in the firm and confident belief that it will receive a good home with responsible and loving care. Ownership of an animal yields much pleasure and satisfaction. It also has its obligations and responsibilities. The fact that the animal has been in our care usually indicates that someone has, in the past, failed to recognise these responsibilities.
