Subject: Assistance needed regarding By Law Concerns

Dear Mr. Claassen

I hope you are well.

I am reaching out for assistance regarding several animal By Law related concerns that require intervention and feedback. Please see the details below:

1. **Graceland, Sonskyn Vallei** – A German Shepherd breeder is refusing to sterilize dogs and is in the process of starting a security company. Law enforcement intervention is required.
2. **Boland Park** – There are pigs causing disruptions, and the owner cannot be located. Any assistance in resolving this issue would be greatly appreciated.
3. **Wolwedans, Greatbrak** – The community is raising complaints about pigs roaming, particularly in Daffodil Street. Given concerns about Swine Fever, these pigs should be contained. Support in addressing this matter would be valuable.
4. **Mountainview (34 E. Turtle Cres.)** – Ms. Burger (cell: 0832865483) experienced an incident on 3 May 2025 where three dogs entered her property, killed her cat, and attempted to attack her daughter. The dogs are located at 37B Goat Street, Mountainview. Immediate action is necessary.
5. **4390 Bouganvilla Street, Wolwedans, Greatbrak** – The uncontrolled breeding of dogs and cats remains a serious concern, with two dogs and two cats currently pregnant. The owners have refused to sterilize the animals (Reference: 421, provided by Mercylee). Intervention is requested.
6. **138 Geldebloem Street, Asla** – This property has a concerning number of dogs, and the residents have been hostile towards SPCA representatives. They need to apply for permits to keep more than two dogs and must take responsibility for the cats they are feeding. Welfare concerns include reports of animals being chained, though engagement was hindered due to aggressive behavior from one resident (Reference: 420, provided by Mercy Lee). Assistance in addressing this situation would be greatly appreciated.

Additionally, I would like to request the ability to cc Mercylee in my emails, as she is able to provide necessary feedback. Given my weekly reporting deadlines, timely responses with relevant updates are crucial.

Your support in addressing these matters is invaluable, and I appreciate any assistance you can provide.

Looking forward to your prompt feedback.

Kind regards
Mariaan Wentzel
Inspector – Garden Route SPCA Mossel Bay
