This animal is given to you in the time and confident belief that it will receive a good home with responsible and loving care. Ownership of an animal yields much pleasure and satisfaction. It also has its obligations and responsibilities. The fact that the animal has been in our care usually indicates that someone has, in the past, failed to recognise these responsibilities.

Hierdie dier is aan u oorhandig met die vertroue dat u die dier 'n goeie tuiste sal bied met verantwoordelike en liefdevolle sorg. Eienaarskap van 'n dier gee baie plezier en tevredenheid. Daar is ook verantwoordelikhede en verpligtinge wat nagekom moet word. Die feit dat hierdie dier in ons sorg was, dui gewoonlik daarop dat iemand hulle plig versuim het.

- I do hereby confirm and undertake that:
- I am over eighteen (18) years of age.
- All family members agree to the adoption and will abide by the conditions in the contract.
- I will not part with possession of the animal except to return it to the SPCA if for any reason I am unable to keep it. In the event that I fail to do so, I agree that I will be liable to pay to the SPCA all costs which they may incur in obtaining confirmation that the animal has been homed to a suitable person, with suitable premises. In the event that this is not the case, I also agree that I will be liable for all costs which the SPCA may incur, including all legal costs on an attorney and client scale, in recovering possession of the animal.
- I will give the animal a fair chance to adjust to its new home.
- I understand that donations are not refundable or transferable.
- I will feed and house the animal to the Society's satisfaction.
- I will not chain or cage the animal, and understand that if it is found chained or caged, it will be removed from my care immediately.
- I can afford the services of a private veterinary practitioner.
- I will ensure that vaccinations are kept up to date and in the case of injury or illness professional veterinary treatment will be provided.
- I understand that in case of illness (not injury) occurring within the first seven (7) days of adoption, I may bring the animal to the Society to be attended to by its veterinarian (at the discretion of the Society) at no charge to myself.
- I will ensure that the animal is sterilised as stipulated by the Society.
- I undertake to ensure that the animal has identification at all times, either in form of a microchip or a collar and tag - only elasticated or quick release collars may be used for cats.
- My property is adequately enclosed and at no time shall I knowingly allow my dog to roam the streets.
- I will notify the Society within forty-eight (48) hours should the animal die or go missing.
- I know and understand the "By-Laws pertaining to animals" of the Municipality in which I reside.
- I will permit an authorised officer of Society to visit my premises from time to time, to be assured that the animal is being treated in accordance with this Policy, and I will allow the Society to repossess the animal, if in the Society's opinion, the terms of this policy are not being reasonably adhered to.
- I will not use or allow the animal to be used as a watchdog on any industrial or commercial premises.
- I will notify the Society of any change of address in writing by registered post with seven (7) days.

- Ek onderneem en bevestig dat:
- Ek ouer as agtien (18) jaar is.
- Alle familielede stem saam oor die aanneming en sal al die voorwaardes in die kontrak nakom.
- Indien ek om enige rede nie langer die dier kan versorg nie, onderneem ek om dit alieenlik aan die DBV terug te besorg. As ek om enige rede nie daartoe in staat is om die dier te hou nie sal ek nie besit van die dier afstaan nie tensy ek dit aan die DBV terugbesorg. Ingeval ek nie so optree nie, aanvaar ek aanspreeklikheid om alle onkoste aan die DBV te betaal wat hulle mag aangaan in die verkryging van bevestiging dat die dier by 'n geskikte persoon met aanvaarbare huis en erf gehulswes is. Ingeval dit nie die geval is nie, aanvaar ek ook aanspreeklikheid vir alle onkoste wat die DBV mag aangaan, insluitende die regskoste volgens 'n prokureur en klient skaal, in die terugbesorging van die dier.

- Ek sal toelaat dat 'n gemagtigde persoon van die Vereniging my erf kan besoek van tyd tot tyd, om te verseker dat die dier wel versorg word soos in die Uitplasingbeleid uiteengesit. Ek sal toelaat dat die Vereniging die dier in besit neem indien die voorwaardes en reëls van hierdie beleid nie redelik nagekom word nie.
- Ek sal nie die dier gebruik of toelaat dat die dier as 'n waghond gebruik word op enige industriële of kommersiële perseel nie.

Caring for your Pet after Surgery

Today your pet underwent a surgical procedure under sedation / general anaesthesia. Once your pet is out of the operating room, awake and walking and on its way home, it's up to you to help it feel more comfortable so the healing process can begin. Here's what you need to know.

We're Home! Now What?

Rest: In general it's common for most pets to be sleepy / lethargic or unsteady on their feet for the first 12-24 hours after surgery. That's why it's important to let them rest and recover in a quiet place at first, only allowing them outdoors to relieve themselves.

Food: Supervise your pet's eating and drinking by providing food and water in small amounts for the first 24 hours.

Activity: Restrict their activity to some extent. If they move too much following surgery there is the risk of the cut tissues not bonding properly which can lead to wounds that don't heal or heal too slowly.

Surgical site(s): Some swelling is normal after surgery, but watch for any signs of a smelly discharge, heat, pain or excessive bruising. When it comes to the surgical incision itself, the best course of action is to leave it alone. However, if you notice the site getting very dirty or crusty you can clean it gently with a towel and warm water, but stay away from alcohol (spirits) or peroxide which can cause pain and delay healing. And try to keep your pet from scratching or chewing at the sutures. It may mean bandaging the site or applying an Elizabethan collar (a.k.a Buster collar).

Sutures: In most cases sutures can be removed after 14 days (unless they are self-dissolving sutures), by which time the wound should have knitted and be visibly clean and dry. This can be done at home by yourself or your pet returned to us. In some cases violet absorbable sutures are used in which case they obviously don't have to be removed. Enquire from your veterinarian or sister.

Things to watch out for and phone us immediately when noticed:

- Excessive swelling or bleeding from the wound
- Suture removal and opening of the wound
- Vomiting or bloat

THANK YOU FOR ADOPTING ME!

I am in a new environment with different smells, people and four legged friends all around me. I have just travelled in a car to my new home. It was so cool! I need you to understand that it will take time for me to settle into the new environment and get used to my new fur friends at my new home. I may be a bit nervous or edgy, as I may have been treated badly in the past. The society could only give you information that they were aware of. I ask that you be patient with me and teach me right from wrong. Ask a dog/cat behaviourist with regards to any concerns you may have regarding my temperament or behaviour. Please provide me with the proper training/puppy classes to ensure that I am always on my best behaviour. If I am a puppy, and chew up your shoes, know that I most probably did not have toys at my previous home and my gums may be itching. If I bully the other dog at home or chase the cat, know that I never had friends and this is truly an exciting experience for me. The integration process of being in a new environment, around new people as well as the other pets at home can take up to 2-3 months. Allow me a fair chance to adjust in my new home and always keep my best interest at heart. THANK YOU for changing my life by adopting me.
