THANK YOU FOR ADOPTING ME!

I am in a new environment with different smells, people and four legged friends all around me. I have just travelled in a car to my new home. It was so cool! I need you to understand that it will take time for me to settle into the new environment and get used to my new fur friends at my new home. I may be a bit nervous or edgy, as I may have been treated badly in the past. The society could only give you information that they were aware of. I ask that you be patient with me and teach me right from wrong. Ask a dog/cat behaviourist with regards to any concerns you may have regarding my temperament or behaviour. Please provide me with the proper training/puppy classes to ensure that I am always on my best behaviour. If I am a puppy, and chew up your shoes, know that I most probably did not have toys at my previous home and my gums may be itching. If I bully the other dog at home or chase the cat, know that I never had friends and this is truly an exciting experience for me. The integration process of being in a new environment, around new people as well as the other pets at home can take up to 2-3 months. Allow me a fair chance to adjust in my new home and always keep my best interest at heart. THANK YOU for changing my life by adopting me.
