General Report Comments: I have observed above dogs in the yard,a Sharpei has fly bites wounds on ears,a black female has five puppies +-2 weeks,water food and shelter provided. A Sharpei has been to Oakdene vet and Shoo-fly has been provided but owner is not applying it as he does not stay in the property.I contact him he claims that there is someone in the yard that is suppose to be looking after the dogs. A female has been reported biting the tenants.Owner promised to call ameeting with tenants.I will follow up on Tuesday to check the condition .
