General Report Comments: A follow up conducted together with Lee-Ann who should collect the dogs that have skin conditions,we waited for more than two hours Bernadette keeps on promising that she is coming.Sghe arrived at 14H00 but she refused us entry we have managed to removed three big dogs with skin conditions,her two cats and her father'dog was treated by Dr Ash.I suspect that the owner does not want me to get into the house because there are more cats she is hiding and also the state of the house.A vet report will be obtained to persue prosecution as it will be the only legal way to deny her to keep pets.To follow up on monday 23/02/2025
