General Report Comments: I have observed the above dogs in the yard,owner was busy cutting a small tree at the corner of his yard claiming that the thief wanted to steal the dogs and they broke the fence thats the reason the dogs went into the street.I have been in this property early January and owner was advised to cut the grass but she refused.The grass in the yard is very long cutting a small tree wont prevent the thief.The neighbour who was there claims they offer the machine to cut the grass but did accept the offer.There was no any information of the person attacked .I contacted the SA RANGER BUT THEY COULD NOT PROVIDE ANY DETAILS.
