TERMS & CONDITIONS FOR TREATMENT

I verify that I am the owner of the above animal, and hereby authorise, understand and agree that

- 1 Animals are admitted at the owner own risk and, while the Society uses the most efficient known treatment and treat each animal with the greatest possible care and attention, neither the Society, its officer/s or veterinarian/s will be liable for any resulting loss or damage from such admission.
- 2 I accept the fact that if my animal has not been vaccinated against common diseases that there is the risk that the animal may contract such diseases while in our care and that the Society cannot be held responsible
- 3 All animals treated by the SPCA must be sterilised. I hereby consent to the sterilisation of the above animal.
- 4 If in the opinion of a veterinarian an animal presented for admission is so diseased, severely injured or in such a physical condition that it should be euthanised for humane reasons, the Society shall have the right to effect such euthanasia by approved humane methods.
- 5 I will collect the animal, or make arrangements with the Society to get the animal home within 48 days of being told by the Society that the animal can go home. If I do not collect the animal within the time stated by the Society, the animal will become the property of the Society and I will have no claim whatsoever against the Society.
- 6 Should a decision on specific treatment be required due to the cost thereof, only 24 hours will be permitted. Thereafter a decision will be made in the best interest of the animal, and in terms of Section 5 of the Animals Protection Act 71 of 1962. Please note that euthanasia is considered a form of treatment.
- 7 Any charges endorsed herein are due and payable on demand.
- 8 I indemnify the Society, its employees, Veterinarian for any loss, damage, disease, injury or death of the above animal, from what-so-ever cause.

POST OPERATIVE CARE AND STERILISATION / CASTRATION

What to expect:

- The combined effects of the pre-medication and the anaesthetic may last up to 24 hours. Your pet may be drowsy, disorientated and/or unsteady on its feet and may be nauseous. Some animals develop a combined effect of the pre-medication and anaesthetics.
- Your pet may cough slightly for a day or two post the operation due to the passing of an endotracheal tube during surgery.

PLEASE DO NOT SELF MEDICATE YOUR PET WITH PAIN KILLING MEDICATION AS THIS CAN HAVE SERIOUS OR FATAL SIDE EFFECTS

- Please keep your pet quiet and confined to a room for at least 2 days and place him/her on a soft bed at ground level.
- If a female dog is in season when sterilised, she will remain in season for at least a week. Please keep her in doors, securely away from male dogs until the sutures are removed (10 days from day of operation) – should a male try and mate with her it will cause serious internal injuries.
- If suckling young – **DO NOT ALLOW BABIES TO SUCKLE** – until the following morning. If babies are old enough to wean (5-6 weeks for puppies. 6 – 8 weeks for kittens), wean them before surgery if possible.
- Offer your pet a small meal after the operation, should they however not want to eat do not be concerned. Water must always be available
- **Please do not attempt to clean the area of operation.**
- Stitches are to be removed 10 days after the operation (except for male cats) on: 01/08/25
- A small amount of swelling at the surgical site is normal. **Please call us** if there is a lot of swelling or redness at the site or if the wound oozes or bleeds. If your pet constantly licks or chews at it – **PLEASE ENSURE THAT YOU GET YOUR PET A BUSTER COLLAR** – so that the operation area does not get infected.
- Male cats do not have stitches but do check for excessive swelling.
- Your pet should be back to its normal self within 2 days, however rough handling or exercise should be avoided for longer

PLEASE DO NOT BATH OR DIP YOUR PET UNTIL THE STITCHES HAVE BEEN REMOVED

SHOULD YOU HAVE ANY CONCERNS PLEASE CONTACT THE MIDRAND SPCA ON 0112659935 DURING OFFICE HOURS OR 0834411564/5 AFTER HOURS
